President's Message

KRPGA is one of only a few associations in Alaska that has a voice in our sport fishing industry. Please help us continue to increase our membership both the professional and associate. It is vital to keep our membership solid to make our voice strong and protect our industry.

On March 10th we will have our annual fundraiser. The annual fundraiser is being held at the Soldotna Elks Lodge. There are lots of donations to be auctioned off, nice dinner planned, and we will have a special guest Gubernatorial Candidate Mike Dunleavy. It should be a fun event. Please call one of the Board members for tickets. Tickets are limited!

The next general meeting will be March 13, 2018 at 6:00 at the 4D Professional Building. Last month's meeting was productive and informative. Our Board of Directors have been busy attending meetings and gathering information. There are many committees that would welcome additional members and input.

I will, along with some of the Board members, be attending the Board of Fish meetings in Anchorage March 6-9th. Major topics KRPGA is focused on are the potential meeting location change for Upper Cook Inlet BOF, emergency petition to set net management tool for additional fishing time, and mandatory deep-water release mechanism for saltwater charters.

The Association has a lot on its plate to tackle before we get busy for positive 2018 season. A few dates to remember and set aside some time for are:
