President's Corner

Ray DeBardelaben

The November meeting went well considering COVID-19; a combination via Zoom and members present at 4D. This is not going to be regular, but will as long as numbers remain high. However, this does open options for people who travel or winter outside of the local area. At the November meeting we elected a new board listed on this page to the right. Congrats to your new KRPGA board.

As KRPGA moves on to the 2021-22 seasons, we must pledge to be professional guides. We are the role models and stewards of the river. Between KRPGA, the education KRGA provides to new guides, and the experience of our veteran guides, I feel we can truly protect and be a positive influence to the Kenai River.

Presidents Corner

newsletters, KRPGA was well represented by both your Board of Directors and several Members at Large at last year's BOF meetings.

When I became president a few years ago I knew it would be a challenge and it has been. It continues to be a challenge and probably always will be for the president of KRPGA. I have a tremendous amount of respect for the past KRPGA presidents. Thank you all.

Our Board of Directors are available to hear your concerns. Please feel free to contact us.

As for a fundraiser and/or annual party, we will be in touch in the future, depending on COVID-19 restrictions. That said, I want to challenge all guides to encourage their clients and associate businesses to become associate members for \$50 dollars. You can purchase memberships online at krpga.square.site .

Congratulations again to our newly elected members. Thank you to all who have renewed your memberships or have joined for the first time. We will have a zoom meeting again in December.

Keep a tight line,
